## WELL-DRESSED MAN FLEES WITH \$169

Three Cornet Cash Registers  
Ordered Emptied by Calm Bandit

The San Diego Sheriff's Department is hunting for a cool, hard-eyed well-dressed young man who held up three clerks in the new branch of the Cornet Stores, at 1047 Elkton Blvd., Spring Valley, Saturday about 6:45 a.m., and walked away with \$169, taken from three cash registers.

When he entered the store he asked to see the manager, Mrs. Mary D. Atkinson, acting manager, responded.

The gunman drew a long-barreled blue steel gun from a paper bag and said: "I don't know how to say this, but this is a holdup. Open the register."

Mrs. Atkinson complied and coolly the young man leaned over and helped himself to the paper money, amounting to \$10.

At this point Annette Glover, a clerk, walked over toward the two women. The bandit took the gun out of the bag again and said, "I have nothing to lose. If you want to see, just try me."

When he reached Elkton Blvd. he reported seeing two vehicles heading north on the boulevard. He described one vehicle as a 1940 model, or older dark colored coupe. The other was a sedan, the year possibly '55, make unknown, he said.

Described as about 37

Mrs. Atkinson meanwhile alerted the sheriff's department and Deputies James Reeves and W. A. Wolff, responded.

Miss Glover said she believed she recognized the robber as a young man who had been a customer in the store several times during the Christmas holiday season, and remembers that the suspect, at one of those visits asked to see the manager.

The holdup man was described to be about six foot tall, 185 pounds, had dark brown hair - crewcut, age about 37. He was reported to be wearing a dark well-tailored suit, with a black well-tailored shirt with white stripes on the collar.

He then turned around and leisurely walked down the aisle

to direct Charlene B. Dowd, another clerk, to open still another register and the gunman again helped himself to \$73 in paper money. Then he told the clerks "Never mind the change. I'll pick that up later."

He then turned around and leisurely walked down the aisle

to direct Charlene B. Dowd, another clerk, to open still another register and the gunman again helped himself to \$73 in paper money. Then he told the clerks "Never mind the change. I'll pick that up later."

He then turned around and leisurely walked down the aisle

## Low Fire Loss Cited By Lemon Grove Chief

Fire loss in Lemon Grove in 1960 amounted to 96 cents per person based on a loss of \$25,185 and a population of 26,000, according to Fire Chief H. L. Hensley in his annual report to Lemon Grove Fire Commission.

The national average is at most six dollars per capita. San Diego per capita loss runs between three and four dollars per person.

He reported that the department had answered 90 alarms and that the \$25,185 damage had endangered \$565,225 in structures. The department also made 55 resuscitator calls.

It took 8.54 men to answer the average call. Structures ordinarily require 12 men.

Fire District Council V. J. Dorman said the tax rate of 56 cents on the district's \$26 million valuation would probably remain at that level.

Assistant Chief R. M. Dixon said that more than seven miles of hose was laid by L.G. firemen last year in drills. One mile of line was laid to cover actual fires last year.

## 'Can't Use Pools For S.V. Sewage'--Vincenz

SAN DIEGO (CNS) — The county suffered a sharp setback this week in its plans to solve the Spring Valley-Sweetwater Valley sewer crises.

Jean L. Vincenz, county public works director and sanitary engineer, told the Board of Supervisors "informally" Tuesday that his department's proposal to construct a series of oxidation ponds in the Sweetwater Valley had been found to be not feasible.

"We've found that the area is underlaid with pipelines," Vincenz told the Supervisors. "We've scouted all over the area for sites for oxidation ponds — we can't go ahead with the plan."

"We're doing the best we can to devise something else," Vincenz suggested that perhaps the best thing would be to expedite a permanent sewer trunkline from Spring Valley to the South Bay.

"Maybe we can get it done in the next year or so, before the San Diego metropolitan system is completed, and construct an oxidation pond somewhere near the bay," he said.

Another suggestion to provide temporary relief, Vincenz said, might be to reconstruct a pumping station to pump sewage from part of Spring Valley up into the Lemon Grove

system and thence into San Diego lines.

Warren Barney, chief of the engineering division of the public works department, proposed last month that property owners in Spring Valley build a \$2,000,000 sewer trunk line down Sweetwater Valley and then sell shares in it to the communities now having sewage disposal problems.

Barney told the Regional Water Pollution Control Board his plan would not result in higher taxes for the Spring Valley Sanitation District. He predicted the district could "make money" on the plan.

GROVE POST OFFICE RACKS UP GAIN

A gain of 14.1 per cent in receipts was racked up by the Lemon Grove post office according to F. Faucher, local postmaster.

The facility took in \$232,001.23 last year which compares with \$194,452.15 the year before.

Faucher said more than 3,800,000 pieces of mail were cancelled last year, an increase of 10 per cent. He said another increase is anticipated in 1961 due to added subdivisions with in the postal district.

## The DIMMER VIEW

by MAX GOODWIN

A depraved young truck driver followed two teen-age girls down a Lemon Grove thoroughfare the other night hurling obscene remarks at them.

When they attempted to elude him, he searched them out, tossing a piece of paper at them which sheriff's deputies later found. The paper had obscene words and drawings on it.

The incident took place in the early evening on a street which is well lighted as far as Lemon Grove streets go.

This repugnant act is serious within itself. It is all the more serious if proper action is not taken to discourage future activities of these kind of persons. One action is to publicize such events. This gives the alarm by which a youngster may set up a mental plan of action if she is again accosted.

By calling attention to these sordid acts the public may be aroused enough to demand more police protection when the situation demands it.

Finally, it is backed up by a memo issued by J. Edgar Hoover to all law enforcement officials in which he calls attention to so-called juvenile delinquency pointing out that much of it is not "juvenile" and much is not "delinquency" but outright crime. He pleads for a tag of "youthful criminality" to be hung on depraved youngsters such as the obscene youthful truck driver.

Mr. Hoover beefs up his plea for adult treatment for adult type crimes by reporting a story of "five youthful gangsters between the ages of 15 and 18 attacking two families in a park in a midwestern city. Beating both husbands into insensibility with baseball bats, stabbing them with switchblade knives and robbing them, these vicious thugs then turned upon the mothers, aged 23 and 27 and both pregnant, ripping their clothes from their bodies and savagely ravishing them while two horrified children of one mother — aged 11½ — watched, weeping and horrified."

This shocking tragedy, he says, was compounded by the fact that just 12 hours before, a judge had released two of the attackers who had been arrested and charged with auto tampering.

They had been released because they were not really criminals. . . just juvenile delinquents!

In the recent past, the Otay Municipal Water District has suffered a financial problem superinduced by having a rather large, unpopulated district served by an extremely small water entitlement. The District sprawls south of Sweetwater Lake on down toward Chula Vista.

To accommodate the embarrassment, directors of the district

(Continued on Page 2)

READY FOR SALE—Martha Jean Barrett (left) of Busy Bee Bluebird Group, of Spring Valley Elementary school and Eileen Ball (right) of the Wa Can Ne Top Camp Fire group, from Lemon Grove Junior High school are holding the peanut cans which will go on sale tomorrow in the ninth annual Camp Fire Girls drive throughout the county.

## Camp Fire Girl Annual Peanut Sale Tomorrow

Opening day is tomorrow for the ninth annual peanut sale of the San Diego Council of Camp Fire Girls and Blue Birds Juniors, which will continue for the month of January through Saturday, Feb. 4.

This year's sale marks the fiftieth golden jubilee year of the founding of the Camp Fire Girls, it was announced by Calvin H. Flynn, title company executive and county chairman of the sale.

Nearly 4,000 young sales ladies throughout the county will be bending every effort to dispose of 150,000 cans of peanuts during the two week drive and thereby swell the building fund of the Camp Fire Girls by more than \$33,000.

Directing their sales activities in Lemon Grove and La Mesa will be Mrs. John Kelly, 7926 Longdale dr., Lemon Grove.

The Camp Fire Girls of San Diego County, along with 96 other community agencies, receives its operating capital through the single, annual countywide drive of the United Fund.

The sales will be conducted by members of the Camp Fire girls and Blue Birds from house to house and at busy corners and locations such as markets, banks, post offices in business sections of Lemon Grove and Spring Valley and other localities in the county.

Bear Jubilee Label

The cans of peanuts (circus brand) bear the label of the Camp Fire Girls golden jubilee, and weigh 6½ ounces. The quota for each girl has been figured at two cans in order to achieve the announced goal.

## Area Meeting Called on New Subdivision Law

A public meeting for east county residents to discuss the new county "subdivision" ordinance, will be held Friday at 7:30 p.m. at the Santee Elementary School on Mission Gorge Road.

Roy A. Woodward, an area real estate salesman and east county area director of Citizens' Association for Better Government will be presiding officer.

Woodward said his group was planning to bring County Ordinance No. 2158 to a vote because it was in adverse interest to the property owning taxpayers.

He claims the ordinance was passed at the request of Planning Director Willis Miller December 8 at a special session of its Board of Supervisors against strong protest of the public. Last year a petition was passed among county residents asking for resignation

of Dr. Miller because of the then proposed Ordinance.

The Citizens' Association claims that the Ordinance gives the planning director discretionary powers to confiscate privately held property as a condition to approval for division of land.

Woodward said the ordinance contains 17 pages of ambiguous and perhaps unconstitutional legislation. He said the fight isn't merely a "back country" one but one that brings into question constitutional protection against confiscation. Additionally, he said, it further expansion of bureaucratic control by a subdivision of the government.

The new law becomes effective March 6. The referendum target date has been set for February 1 when the required 39,000 signatures will have been obtained.

## Highway 94 Club Ready To Install 7

The Highway 94 Club will meet Thursday of this week at the Barrett Cafe on Highway 94 at 7:30 p.m. when installation of officers for the current year will be conducted.

Milton Hallen, executive secretary of the San Diego Highway Development Assn. will install seven officers including F. D. "Bud" Miller of San Diego and Dulzura as president; E. H. "Eddie" Leonard of Dulzura; first veep; Louise Rowland of Dulzura second veep; Rubin Marks of Tecate (Calif.); treasurer; Mrs. Mary Jeffress of Lemon Grove and Spring Valley, recording secretary; Mrs. Nellie Cusick of Lemon Grove, corresponding secretary.

One new board member, Clarence Woods of Dulzura will be installed.

The Highway 94 Club, set up to develop Highway 94, meets each third Thursday at Barrett Cafe. Visitors are always welcome.

A pot luck supper will precede the meeting.

\$1500 Fire Damage To Grove Home Blamed on Flue

Damage amounting to \$1,500 to the home of Reuben Ledesma, 7936 Mt. Vernon st., was estimated by the Lemon Grove fire department from a fire there early Friday morning.

The fire was reported to be caused by a defective flue in a fireplace. The fire department reported that the mortar in the rear of the fireplace deteriorated, and allowed flames to spread up to the attic of the house.

The fire call was answered at 2:50 a.m.

ARREST MADE IN GASOLINE THEFT AT CASA DE ORO

Wallace Johnson, owner of the Builders Equipment and Supply in Casa de Oro which had been victimized five times by gasoline thefts in the past several months, swore out a warrant last Tuesday, Jan. 10, for the arrest of Eugene Richard Mugan, 2253 Chatham st., El Cajon, charging Mugan with the theft of gasoline from the tanks on his equipment trucks parked in the yard of Johnson's business.

Mugan admitted to taking two gallons of gas.

## SD Detective's House Object Of Day Burglars

Burglars who broke into the home of Jeanette Lowery, 1565 Skyline dr., during daylight hours on Jan. 10, showed less than slight regard for the law when they helped themselves to two transistor radios, a \$20 bill in an overnight case, a calendar, watch, two plastic hair brushes, shaving materials, and a bottle of Italian wine.

Lowery is a patrolman detective with the San Diego police department.

Mrs. Lowery discovered the thefts when she returned to her house shortly after 2:30 p.m., and found that the marauders had entered by way of a washroom door.

Low Pressure Building Gets Full Pressure

Turndown From City

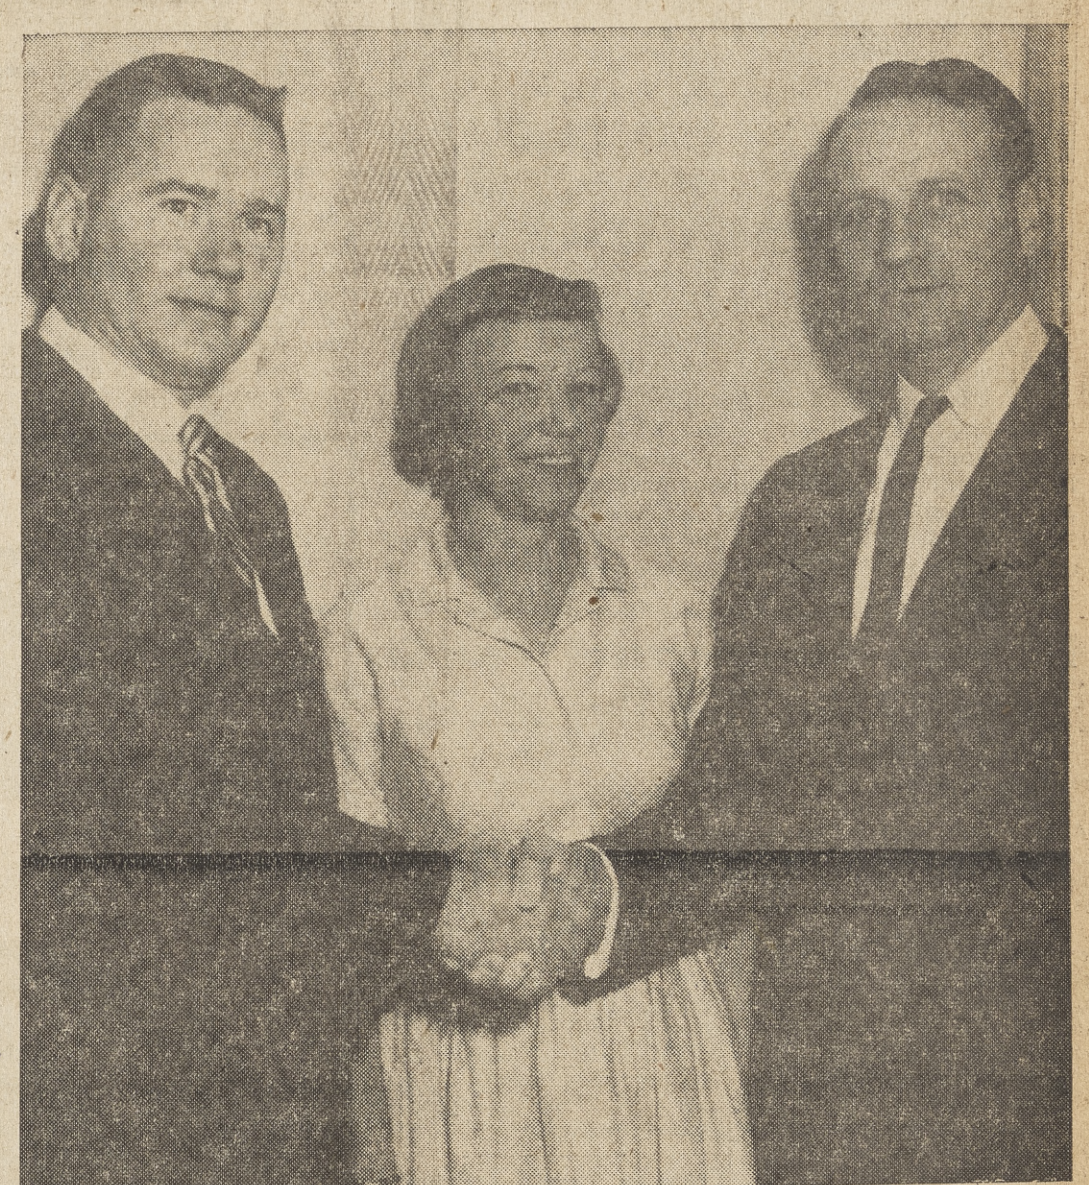

The Chevrolet Aerospere, an air-supported building which has been publicly shown throughout the United States was closed to the public at College Grove Center.

Widely publicized and advertised, hundreds of would-be visitors were turned away this week.

A sign at the entrance indicated the building did not meet the S.D. city code. The building was held up by low pressure air pumped into it.

A spokesman for the Chevrolet firm said the city objected to revolving doors. Revolving doors were necessary he said, to keep pressure constant inside.

## Grove Dentist Heads Coordinating Council

TAKES OVER—Dr. Dennis McLaughlin, Lemon Grove dentist, left, is greeted by the Rev. E. Walter Smith as Dr. McLaughlin is elected to succeed Rev. Smith as president of the Lemon Grove Coordinating Council for 1961.

Dr. Dennis McLaughlin whose dental offices are at 7615 Broadway in Lemon Grove, was elected chairman of the Lemon Grove Coordinating Council Monday night. He succeeds Rev. E. Walter Smith, pastor of the Lemon Grove Congregational church.

Also elected to office were Mrs. Lee Nottingham, a member of the Woman's Club as first vice president; Mrs. Vance Seal, member of the L.G. Swimming Pool Association, as second vice president; Mrs. M. S. Koenekamp, member of the Vista La Mesa PTA, secretary-treasurer and two advisors. These are Mrs. George Teigen, Woman's Club juniors and Dr. Robert Burns, a veterinarian and member of the Kiwanis club.

Under discussion at the first meeting presided over by Dr. McLaughlin was development of a "green spot" park on

land there is mostly public property, it was pointed out.

Dr. McLaughlin called on his new board to meet later this week to see what steps could be taken for developing the "green spot" area.

Mrs. Nottingham said she had made a telephone survey of the residents of the park area and she was assured that no resistance to the park would be encountered among them.

In his acceptance of the chairmanship, Dr. McLaughlin said he would attempt to make the Council responsive to the wishes of the citizens of Lemon Grove and called for cooperation from those who had obtained projects planned for the community's good.

He said the Council would have a vigorous year.

(Continued)

trict voted to abstain from participation in the distribution of board fees. In non-legal non-water district parlance, this means they voted to drop the \$20 fee each director normally charges for each meeting he attends.

So overcome were the directors of the La Presa County Water District, this district operating north and east of the Sweetwater Lake, that they too, at a meeting last week, voted to absorb themselves from the \$20-a-meeting fee they had been collecting.

We requested, and got, a copy of the minutes of that meeting and nowhere can we find an indication of financial involvement. The minutes, conversely, show that the district is in good shape. Yet, the board members wanted "to do something in the interest of the taxpayers and the District," and gave up the fee.

We think the idea is good and hope it catches fire. The \$2,000-a-year the water director collects (Districts normally have five directors) could go toward reducing the tax rate. Be it almost infinitesimal it would nonetheless be welcome.

Since most directors on water boards serve for other than direct remuneration, none would suffer uncommonly.

Presumably all the members of the Holix Irrigation District, for example, are men of considerable means. If they should join the ranks of non-paid directors, in line with their sister districts, it would be a lot more simple for other small districts to expect pay-less board members.

**TOPS HOBBY SHOW**—Winner of first prize in the hobby show recently conducted at San Altos school shown here with his prize winning entry of a homemade model of a Chinese junk is Tommy Estes, son of Mr. and Mrs. Hugh Estes, 1829 Primera, Lemon Grove. Tommy who is a sixth-grader at San Altos received \$5. Runners-up received ribbons for the excellence of their entries in the PTA-sponsored contest.

## Extended Unemployment Benefits Reported Not Paid Thru March

Extended duration unemployment benefits will not be payable under the Miller-Collier Act formula during January, February and March to Californians who exhaust their regular unemployment benefits.

Irving H. Perluss, director of employment, said today that, as had been anticipated, insured unemployment during the final quarter of 1960 fell just short of the six per cent ratio which triggers payment of extended duration benefits. Perluss said an average of 220,540 weeks of insured unemployment was certified during October, November, and December.

This was 5.7 per cent of the statutory base of the average of 3,827,240 employees subject to the Unemployment Insurance Code in the four calendar quarters that ended June 30, 1960.

The Miller-Collier Act is an amendment to the unemployment insurance law enacted by the 1959 Legislature. It requires the director of employment to make a quarterly find-

ing of the ratio of unemployment insurance claimed in California to all employment covered by the Unemployment Insurance Code.

Only quarter so far during which extended duration claims could be established was the second calendar quarter of 1960. Perluss said the current trend of the state and national economy makes it appear virtually certain that extended duration benefits will be payable again later this year beginning in April.

The La Mesa Junior theatre, sponsored by the La Mesa recreation park department, will present a three act comedy, "Huckleberry Finn," in the Fine Arts Center, 8055 University, February 3, 4, 10, 11. Curtain time will be 7:15 p.m.

## Incorporation Steps Set Out at SV Rally

Over 200 Hear City Status Urged by Leeger, Hegland

Over 200 interested and enthusiastic Spring Valleyites and persons from Lemon Grove and La Mesa, Friday night heard Luther L. Leeger, city attorney for Del Mar, and Assemblyman Sheridan Hegland present vital facts on incorporation and other forms of local government. The meeting was held at Bancroft Elementary School and Dr. Hayles Trent, chairman-elect of the local government committee of the S.V. Chamber of Commerce was chairman of the meeting.

Luther Leeger, speaking first, told of the four steps Del Mar undertook in order to incorporate: 1) an efficiency program; 2) hearing of protests; 3) the election, and 4) the post-election program.

He said that a community group planning incorporation should be careful to get all the facts beforehand, as there should be no "loopholes." There should be a careful study and report as to the boundaries and name of the proposed city.

The county boundaries commission must be notified and it has 30 days to reply. If no response is written within 30 days, the petition is in effect.

The commission will then file a notice of intention to circulate petitions. Twenty-five to 50 property owners is all that is required to sign in order to get the program in operation.

Then the Commission sets up a 90 day "freeze" period to stop others from filing. Also during this 90 day period the petitions may be signed.

Afterward the County Board of Supervisors send out notices. Then the petitions containing such items as legal description of the proposed city, population, requested territorial boundaries name of city, and, of course, the space for the signatures, are circulated.

A request may also be presented to the board for a city manager and other officials of the proposed city.

After the petitions are circulated, they are presented to the Board of Supervisors, which in turn holds a protest hearing. The board will consider the protests and requests by property owners for exclusion.

Written protests must be made by 51 per cent or more of property owners of the total land value of the area. If no more than 51 per cent protest, the Board of Supervisors call for an election. The board in its legal notices will set the deadline for protests.

The ultimate result of the election for incorporation will be decided by a simple majority of the voters.

There will be a canvass of the voters. If incorporation wins, the Board of Supervisors files with the State, declaring the named community a city. Then the incorporation system goes into effect, with an initial council meeting. At this meeting the council should have

formulated a set of local laws, Leeger said. He pointed out that at this first meeting the council should not get into any controversial subjects, but should stick to such items as the filing of city boundaries and the like.

Leeger said that only 35 per cent of local property taxes go into the city treasury. Other city operations would be derived from such sources as gasoline tax (\$3 per person), motor vehicle department (\$5 per person), sales tax (1 cent out of every 4 cents), traffic fines and forfeitures from local police department, utility franchise payment (bus service, gas and electricity) to operate within the city, building and inspection fees; business licenses, liquor licenses, etc.

Leeger also pointed out that depending upon when a city is incorporated that the county is required to continue service in the city for the remainder of the fiscal year.

Assemblyman Sheridan Hegland approximated a return to the "City of Spring Valley" of \$250,000 per year from the State. He mentioned that less and less small cities are depending on the property tax base, and that the ad valorem is most important.

Hegland said that 90 per cent of all areas seeking incorporation is due to the fact that they want to protect themselves from the big cities. He said that the City of San Diego is trying to annex outlying districts with high tax bases, but that it is leaving the low assessed lands "dangling."

He cited as examples, Black Mountain and College Grove. He said that Los Angeles is not the only big city trying to have Honolulu as its city limits.

It was the feeling of both Hegland and Leeger that a local government could provide a better level of service for the people of the community.

The two were also of the opinion that "Home Rule" or a government "Close to You" should be the answer to the local problem.

Spring Valley as a community has a choice only so long, before it stagnates or the "Big City" moves in and takes over, they said.

"Don't wait too long," was the advice given by Assemblyman Hegland, who pointed out that with his fellow speaker that out neighbors of Del Mar, with an initial population of 3,000 and Imperial Beach, with an initial population of 9,000 had the courage to incorporate.

"Think of what can be done here in Spring Valley, with a population of 28,000," was Sheridan Hegland's closing remarks.

## WARDROBE TAKEN

Mrs. Maria Medeiros, 2343 Berry, Lemon Grove, has alerted the Sheriff's department to hunt for a wardrobe full of clothing, which she says was taken from her home between 8:30 a.m. and 6:30 p.m. Jan. 16.

## Zoning for Shop Center Approved

SAN DIEGO (CNS)—Zoning for a shopping center on a portion of a 15-acre tract in the Lemon Grove area requested by Peter De Graff, Chula Vista city councilman, was granted Friday by the County Planning Commission.

Commercial zoning for the remainder of the tract, located on the east side of Sweetwater road south of its intersection with Blossom lane, was denied by the commission. De Graff's tentative subdivision map was approved.

On another Lemon Grove area application, Howard Mercer was granted industrial zoning for about half an acre on the south side of North avenue approximately 150 feet west of Olive street.

Mercer agreed to give the county 7 1/2 feet of right-of-way for the widening of North ave.

## ADA TO CERTIFY DENTAL TRAINING

The American Dental Association will soon take over certification of all dental assisting training programs throughout the nation.

According to F. Lou Ferris, coordinator of the dental assisting program at San Diego Junior College, this will mean national recognition of dental assistants who graduate from accredited schools.

## D. Armstrong Joins Sanitarian Group

The National Association of Sanitarians, with headquarters at the University of Denver, Colo., announced recently that Donald Armstrong, 1724 Costada Court, Lemon Grove has been accepted as a member in this professional society.

The National Association of Sanitarians is an official organization of professional persons engaged in the promotion of a fitting healthful environment for the people of the world. The membership is concerned with such essential matters as pure air, safe water supplies, clean food, adequate housing, and a host of other environmental factors.

## SV ELEM. PTA MEETING TONIGHT

The regular meeting of the Spring Valley Elementary PTA will be held tonight at 7:30.

The program will be "We Open Wide the Door to Understanding," Mrs. Florence Hord, coordinator of Art, will speak on "It Must Be Art - My Child Drew It."

The flag ceremony will be presented by Girl Scout troop 1047. Hostesses will be the third grade mothers.

## Classes on Personal Tax Scheduled

Opportunity for all interested adults to study Federal and State personal income tax will be available at Lincoln Adult Center, 49th and Imperial, Tuesday. This short unit adult education course will meet for four evenings only.

For further information call BE 4-2186.

## Decision if Court Aid Be Called to Stop SV Sewer Hookup Expected

SAN DIEGO (CNS)—A decision on whether to seek court action to stop any more connections to the Spring Valley Sanitation District system is expected to be reached here today at a meeting of the State Regional Water Pollution Control Board.

A month ago the Regional Board gave the County Board of Supervisors, who are also directors of the sanitation district, 10 days to show evidence that steps will be taken to comply with a demand for a permanent program to correct the conditions resulting from the present over-loading of the sewage treatment plant.

Property owners in the Sweetwater Valley, in addition to those in the Spring Valley district, have been up in arms over the conditions that have

come from the plant's inability to meet the needs of the area.

Supervisors, after the Regional Board action, approved the hiring of a San Francisco expert to study what interim steps could be taken to improve the situation, awaiting connection of the Spring Valley system with the San Diego Metropolitan Sewer System.

Supervisors on Jan. 3 approved a six-point program, recommended by the expert, but they declined to order a stop to future connection.

## Prof. Browne to Head Potters' Guild

William Browne, 2430 Central, Spring Valley, was recently elected president of the San Diego Potters' Guild. Browne is an assistant professor in the Department of Fine Arts at San Diego State College.

The Potters' Guild, whose exhibition quarters are in Spanish Village, Balboa Park, is a group of artists whose work in clay include wheel-thrown and hand-built earthenware, stoneware and sculpture.

At today's session of the Regional Board, the only official item on the docket is the Spring Valley Sanitation District. An order to stop connections was discussed at the December meeting, and board members indicated they were aiming at subdivisions, not individuals.

# Fallout Series To Tell Of Dangers, Protection For Nuclear Blast

(EDITOR'S NOTE — This is the first in a series of two articles prepared by the California Disaster Office in Sacramento. The second article will appear next week.)

**PART I**  
Human defense has almost completed a round trip from the walled cities of feudal days to the fallout shelters of the nuclear age. The weapons have changed; but the basic objective is still survival.

Most people don't understand radioactive fallout. In today's world, they must. The purpose of this article is to present the facts about fallout; tell what the effects of radiation might be if a nuclear bomb were dropped in the United States; and how to protect yourself.

You don't need a degree in atomic physics or nuclear science to understand radioactivity. You use electricity every day at home—you teach your children how to avoid being electrocuted but you probably don't have a degree in electrical engineering. This new knowledge is just as vital.

Is radiation new? No. Our world is radioactive. The air

you breathe, the water you drink and the food you eat contain small quantities of radioactive material. You have probably been exposed to radiation from X-ray machines. You may own a wristwatch with a luminous dial which is radioactive.

Is fallout new? Yes, comparatively. It dates back to 1945, when the first atomic bomb was exploded. Because of the size of modern weapons, fallout is a serious and perhaps a permanent problem. So long as the threat of war or nuclear accidents exists, this problem is important to you.

**WHAT IS FALLOUT?**  
Fallout means the bits of radioactive dust, debris or solid matter which settle or "fall out" from the mushroom cloud formed when a nuclear weapon is exploded. These radioactive particles act like miniature X-ray machines sending out rays in many directions.

It may be extremely dangerous. Sufficient quantities over a period of time, can lead to illness or death. However, it

from it by taking the simple but important steps described in these two articles.

Usually you cannot see, hear, feel, taste, or smell radiation. However, under some conditions you might see fallout—either as dust in the air or as a layer of dust on surfaces.

When a nuclear bomb explodes, the initial effects are blast (or shock wave); intense heat; and initial radiation. The results would be severe damage to buildings, many fires, and deaths from radiation. These things happen very quickly.

**DELAYED EFFECT**  
Fallout is a delayed effect. The radioactive material produced by the explosion would begin to settle from the cloud, and would be spread over a wide area.

Serious fallout would cover an area many times larger than that affected by the blast and heat. Serious fallout might occur 10, 50, or even 100 or more miles downwind from the explosion. After a bomb blast, almost any location might receive fallout.

The best protection is afforded by building a shelter according to local building codes and following designs available from your local civil defense office.

If you wish additional information about fallout or shelters, write to the California Disaster Office, Box 110, Sacramento, for free pamphlets.

## Permits Sag

Construction in the unincorporated areas of San Diego dropped drastically in December according to a report issued by the County Building Inspection Department.

Total permits for non-incorporated areas in December 1960 totaled 819, down 1,480 from the total of 2,299 of a year ago.

Value of construction in December was \$7,649,200, a drop of three million dollars from the December 1959 total of \$10,771,700.

Building permits for the entire year showed 25,078 for the year just passed against 29,897 for the year before. Values were down \$40 million too with \$143,558,800 against \$103,203,200.

In Lemon Grove in December there were 48 permits taken out representing \$162,300 worth of improvements. In Spring Valley 30 permits represented \$55,900 worth of construction and repairs. In Casa de Oro, 11 permits represented \$2,573,200.

One building, a high school, stands for \$2½ millions.

## BED LINENS TAKEN FROM TRAILER, TOOLS BICYCLE GONE IN SPRING VALLEY THEFTS

Leonard Wicoff March, who occupies trailer space No. 64 at Lake View Manor, 9902 Jamacha Blvd., Spring Valley, reported a burglary of his camp trailer between 8 a.m. Jan. 11 and 7 p.m. Jan. 12. He told Deputy Sheriff's M. Lund and N. Rhodes that the door latch of an unoccupied trailer situated in an isolated storage area in the Trailer Park, had been pried open and a tailored floral pattern cloth bed cover worth \$75 had been taken along with a blue electric blanket worth \$35; a pair of pink tailored sheets with matching pillow cases, valued at \$10; pillows worth \$30, and one white bedspread worth \$2.

He also reported that at the same time the luggage door of a 16 foot camp trailer, the property of Mrs. B. B. Randolph in Space 83 had been partially pried open, but no apparent entry made.

Erling Arthur Sevik, of 9004 Davenport St., Spring Valley, supervisor at the Richfield Station in Spring Valley, and reported between 6:30 a.m. Jan. 12 and 10 a.m. Jan. 13 the theft of a blue metal tool chest containing several miscellaneous tools and wrenches, which were in a locked garage at his residence. Value is estimated at \$25.

James J. Collins, a student at Mt. Miguel High School reported the theft from the hall locker at the school, of a brand new Howard bicycle with combination lock, value \$300. The theft, he told Deputy Sheriff L. R. King, took place sometime between 8:30 and 9:45 a.m. on Jan. 12.

## Citronella Paving Project Dropped After Protests

SAN DIEGO (CNS)—A proposed improvement project for Citronella street in Lemon Grove was dropped by the county last week after property owners in the area protested that estimated assessments were too high.

Affected were seven parcels of land between Palm and Cypress, east of Imperial Avenue a mile south of Broadway in Lemon Grove, for which a 1911 improvement act district had been formed for the grading, paving and construction of curbs at an estimated total cost of \$11,521.

## North Island Duty

SAN DIEGO (Spcl)—John F. Perfect, fireman apprentice, USN, son of Mr. and Mrs. Elmer G. Perfect, of 2057 El Prado St., Lemon Grove, is serving at the North Island Naval Air Station, San Diego.

## FARM BUREAU HOME GROUP TO MEET

The La Mesa Home Department of the State Farm Bureau, will hold their regular meeting in Porter Hall, 8472 La Mesa Blvd., Jan. 10 from 10:30 a.m. to 2:30 p.m. The morning session will be devoted to needlecraft and at 1 p.m. Mrs. Arelene Eddy, missionary from Africa, will speak on "Foreign Foods and Dress."

## Voters Reminded To Register for LMSV Elections

With two school districts, Grossmont Union High School District and the La Mesa-Spring Valley School district, preparing for a board of trustees election in April, voters are reminded to register before the last week in February.

Mrs. Charlotte Phillips, deputy registrar of voters in Spring Valley, said she was recently informed that over 200,000 voters were dropped from the rolls recently because they had failed to vote in the November general election.

For full information call Mrs. Phillips at HO 6-4209. Her address is 3546 Helix St., Spring Valley.

The name of Mrs. Betty Seymour Robinson, HO 6-1889, is to be added to those who are registering voters.

## GOODWILL TO MARK ITS 59TH BIRTHDAY

The Goodwill Industries of America will be 59 years old Thursday.

The local unit of the 126 Goodwill Industries in the United States and 18 other nations will commemorate founder's day at the San Diego headquarters at the daily chapel services starting at 8 a.m., it was announced.

Honoring the memory of the organization's founder, Dr. Edgar J. Helms, who started the first unit in Boston in 1902, will be Mrs. Ella Robbins, executive secretary of the organization's Women's Auxiliary, who is a niece of Dr. Helms.

Attending the Founder's day services will be many of the handicapped workers, who have been given "Not Charity, but a Chance," through Dr. Helms' foresight, and planning.

Entirely self-supporting, the local Goodwill Industries is providing rehabilitation, job training and employment for 186 handicapped persons in this county.

Dr. Helms envisioned the unique plan of Goodwill Industries whereby civic-spirited citizens donated their discards to the non-profit organization, and the handicapped rehabilitate them into usable articles, sold at marginal prices in Goodwill stores, including the one here. These funds then are used to pay the handicapped workers.

## RECENTLY ENLISTED

James Laurence Welbaum son of Mr. and Mrs. Thomas Welbaum, 1545 Madera, Lemon Grove, recently enlisted under the U.S. Army's new guaranteed "Choose It Yourself" program.

Welbaum attended Mt. Miguel High School and was employed as a mailman prior to enlistment.

## DRIVE-IN MARKS 5TH YEAR WITH SPECIAL OFFERS

The fifth anniversary of the Crown Drive-In, 8251 Broadway, Lemon Grove, starting today and running through Sunday will be marked by the giving of balloons, candy, and souvenirs and a special offer of six hamburgers for a dollar. It was announced by Sid Zolot, owner and proprietor.

A special inducement during the four-day celebration will be the distribution of 500 "Lucky Cards," each good for two hamburgers, to patrons of the drive-in.

## The Mail Box

Dear Editor:

I had the pleasure of attending the Pro-Bowl game at the Los Angeles Memorial Coliseum yesterday. The Mount Miguel High School Band and Specialties Corps' performance exceeded that of any college level group I've ever witnessed. Their sharpness, originality, and overall performance caused the 60 some thousand people at the Coliseum to break into spontaneous applause several times during their performance. The recognition they received and the comments I heard from people, made me feel proud to have been associated, even on a passing basis, with the Mount Miguel High School. I think all the parents in the Lemon Grove, Spring Valley area, and all the backers of this outstanding group, should feel extremely proud of the performance put on by these fine young people.

Yours truly,  
W. H. Parker  
Editor's note: Mr. Parker is former L.G. C. of C. president

and manager of LG-SV areas telephone office. He is now an executive with the Pac. Tel. & Tel. Co. in Alhambra.

Dear Editor:

I should like to express my profound appreciation for the coverage you have given the Vista La Mesa Christian Church in your newspaper. Any person or group desiring to meet or confront people at the level of needs, realized or unrealized, surely needs the power of the press to express such programming.

Please feel free to offer any suggestion which might help in our press releases. Should you have any criteria by which we might determine the news worthiness of any items, we should appreciate this information.

Should there be any opportunity for serving you, please feel free to call. Again, thank you!

Sincerely yours,  
Richard G. Davis  
Minister

# Matador Cagers Grab Second Place Sweetwater, Grossmont Wins Are First Over Them in Local History

By Bill Ott Jr.  
Coach Dick Ridgway's Mt. Miguel Matador cagers are riding in second place in the franchise race for the Metro League Southern Division title after posting two convincing triumphs last week.

The Miguelers journeyed to Grossmont last Tuesday afternoon and dumped the Foothillers, 58-53 on the strength of Bill Sage's 31 points. Friday night the Matadors hosted the Sweetwater Red Devils, and clobbered the "Sweeties", 58-42. Doug Wardell paced the Mt. Miguel five with a 14 point effort.

Last week's victories were firsts for the Matadors against their two opponents in Mt. Miguel hoop history.

Against Grossmont, the Matadors jumped out in front with a 15-8 first quarter lead, and held on after a second period Foothill rally for a 20-19 halftime intermission score. Sage found the range, and paced the Miguelers to a 25 point third quarter outburst good for a 45-36 third quarter margin. Grossmont outscored the Mt. Miguel charges, 17-13 in the final stanza but could not overtake the Mt. Miguel lead.

Willie Clarke and Neil Mac Clellan tallied 22 and 14 points respectively for the loser's while Ron Cady's 11 and Bol Engberg's 10 helped Sage and the Matadors.

The Matadors held a slim 12-11 first quarter lead, and moved in to a 29-15 halftime margin in their clash with Sweetwater Friday night. Out scoring the Red Devils, 17-9 in the third period enabled the Miguel quintet to enter the final period with a 46-24 score. The Devils scored 18 points, while holding the Matadors to 12 in the last period for the 58-42 finish.

Along with Wardell's 14 point effort came contributions from Sage and Engberg who meshed 12 and 11 points respectively. Tony Nicita's 15 points for the Red Devils gave him high scoring honors for the night.

The Matadors are now 2-1 in loop competition, and 4-6 in overall action.

## ON HAND AT GRAND OPENING

**CELEBRATES GRAND OPENING**—Ron Gondek, owner and proprietor of the Pampered Pet, will celebrate the grand opening of his pet shop located at 7820 Broadway, Lemon Grove, today, Friday and Saturday. On hand for the opening will be Lord Gallant of Aragon, his ten-months old Irish setter, shown here. Gondek has on display in his front window trophies won by Nip Von Hoffman, his nine-year-old Doberman Pincer.

## Law on Parking Lights Explained

"Many motorists apparently are still unaware that parking lamps are not a substitute for headlights," California Highway Patrol Commissioner Bradford M. Crittenden pointed out this week.

"The law which prevents use of parking lamps while driving—except as a turning signal or when the headlights also are on—has been in the vehicle code for five years," he said, "but the incidence of incorrect usage is still high."

Passage of the law was designed to halt a dangerous practice. "It was Patrol experience

that parking lights used as driving lights tended to confuse oncoming drivers. The points of light were misconstrued as regular headlights viewed at some distance.

"The recent fog which blanketed much of central California emphasized the problem," he pointed out. "The small amount of light provided by parking lamps could not be seen by approaching drivers."

"Whenever it is necessary to turn on your lights while driving, be sure it is the headlights, not the parking lights," he cautioned.

## All-Star Wrestlers from Japan To Compete Against Local Squad

Mount Miguel High school will be the first school in the area to host the eight man squad of Japanese All-Star high school wrestlers who will be matched with the varsity Matadors in the Miguel gym on Saturday, Jan. 28, at 7:30 p.m.

While in the county, the boys will be quartered at the

Naval Training Center, where John Shindle will act as their host.

The Japanese team is reported to be drawn from the best high school wrestlers throughout Japan.

Following the wrestling, members of International Club will entertain the visiting wrestlers at a reception in the cafeteria. Matador wrestlers and honored guests will also be guests at the reception.

Students and adults are urged to obtain their tickets early. All tickets not called for by game time will go on sale at the door that evening. The Miguel gym has a seating capacity of 1,000 persons.

No passes of any kind will be honored for these matches. Instead, tickets will go on sale in the bookkeepers office, Friday, and at the door on Jan. 21. Student-holders of ASE cards can purchase tickets for 50 cents. Adults will be \$1.

## Complains Many On Frozen Food Firm—BBB Reports

"Circle T" Frozen Food Locker, whose operators were charged with misrepresenting the weight of beef it sold and pleaded not guilty at a Dec. 28 arraignment in El Cajon Municipal Court, was the subject of numerous complaints to the Bureau during the past summer, the BBB reported.

The frozen food firm, whose trial has been set for Feb. 9, was the source of so many complaints, according to the bureau, of alleged shortages in foods delivered that the matter was referred to the County Department of Weights and Measures.

During the subsequent investigation the bureau financed the purchase of a food order from the concern.

## CAMPO WOMAN SUFFERS FATAL BURNS

Burns incurred when a propane gas stove was being lit were responsible for the death of Mrs. Bobbie J. Reed of Campo, who died at 12:30 a.m. Monday at County hospital, it was reported by the El Cajon branch of the Sheriff's department.

Mrs. Reed received burns on her legs and arm and body when her clothes ignited, and setting the house afire.

## COIN CHANGERS LOOTED

The Economy Wash at 7272 Broadway, Lemon Grove, was burglarized between 4 p.m. Jan. 11, and 3 p.m. Jan. 12, according to report from Mrs. Gladys K. Woensner, the owner, to Deputy Sheriff's M. Lund and N. Rhodes. The suspects, she said, had opened all three coin changers in the laundry with a key and emptied the contents, about \$300.

## League Trials Draw Over 40

More than 40 12-year-old boys reported for tryouts in the Lemon Grove Little League last Saturday.

Eleven-year-olds have their chance starting at 8:30 a.m. at the Little League field in Monterey Heights. Boys unable to take part in tryouts on their scheduled day may report on succeeding Saturdays.

Little League parent activities include a "Get Acquainted Dance" at the VFW hall, Feb. 11. More than 70 family memberships were sold at the registration session.

Parents interested in purchasing family memberships or supporting League activities in any way are asked to contact League President, Webb Carson at JU 3-3927.

## Grossmont High Coach To Receive Service Award

The Grossmont track coach will be among the six men who will receive distinguished service awards at the seventh annual Appreciation Night banquet at 7 p.m. tonight in recognition of their accomplishments as coaches, Very Rev. John R. Aherne, O.S.A., St. Augustine High School principal, announced today.

The six to be honored and their coaching fields are: Merrill Douglas, athletic director, San Diego Junior College, basketball; Les Cassie, vice principal, Hoover High, baseball; Jack Mashin, Grossmont High, track; Frank Crosby, San Diego High, wrestling; Richard Disney, Escondido High, golf, and Fred Kinne, Los Angeles newspaperman, tennis.

## Over Nine Million In License Fees

SACRAMENTO, Jan. 5—The State has distributed a total of \$9,067,964 from state-collected motor vehicle license fees to California's 369 cities and 58 counties, State Controller Alan Cranston reported today.

This apportionment, first and smallest of three to be made in the 1960-61 fiscal year, represents approximately eight per cent of what the cities and counties can ultimately expect, Cranston said. Larger apportionments will be made in April and June.

Cranston said the comparable apportionment in 1959-60 was \$9,039,305.

All but a minor portion of the license fee collections goes to local governments, he said, because the tax takes the place of a local property tax on motor vehicles.

Until 1936 all vehicles were taxed at the local level as personal property. Studies disclosed, however, that the cities and counties were plagued by enforcement difficulties. The State thereupon assumed the responsibility of collection.

## Camp Fire Girls Grow Up 50th Year Banquet Set For Tuesday

### Reception Planned By Camp Fire Group Honoring Pioneer

The 50th Anniversary celebration of Camp Fire Girls will get underway in the San Diego County Council with the Golden Jubilee banquet and annual meeting to be held in the Palm Room of the U.S. Grant Hotel on Tuesday, Jan. 24, it was announced by David Thompson, Golden Jubilee chairman.

Preceding the dinner will be a reception in honor of Miss Edith M. Kempthorne, the famed "Alaska" of Camp Fire's pioneer days who is visiting in San Diego county on her return trip to her home in New Zealand. Miss Kempthorne, who was a member of the national field staff of Camp Fire Girls from 1915 to 1949, was recently honored at Camp Fire's National Convention in New York City.

On display at the reception scheduled to begin at 6 p.m. will be many of Miss Kempthorne's Camp Fire souvenirs as well as mementos loaned by old timers in the San Diego Council.

**Review local history**  
The Golden Jubilee banquet at 6:45 p.m. will be the occasion for a review of Camp Fire's local history in San Diego county, and will pay tribute to the many volunteers and girl members who were active in the program in San Diego from the earliest groups in 1912, through the chartering of the Council in 1929 to the present time.

The featured speaker of the evening will be B. F. Coogan, president of the San Diego Board of Education, who will relate the future of American womanhood to his topic of "Campfires on the Moon."

National Luther Halsey Gulick and Wakan Service Awards will be given to outstanding volunteers in addition to local certificates of merit for service during the past year. A national life-saving certificate will be presented to Judy Lucile, a Camp Fire Girl from Spring Valley.

**Officers to be elected**  
Ray T. Blair Jr., editorial chief of Convair Astronautics will act as master of ceremonies during the presentation of awards and the recognition of the early members of the Camp Fire organization.

The meeting will also include entertainment by members of Horizon Club, Camp Fire's senior high program, and the election of Council board members and officers for 1961, according to Mrs. Melville W. Aubrey, president.

Reservations and further information about the Golden Jubilee banquet may be obtained by contacting the Camp Fire Girls office at BE 3-3157.

## New Tenant Finds House Windows Broken in S-V.

The breaking of windows with rocks and dirt clods, at a vacant house on 1442 Janice st., Mt. Miguel Terrace in Spring Valley, was reported to Deputy Sheriff D. B. Priest by Mrs. Jeannette A. Chapman last week, who said she was moving into the house and had gone on an errand. When she returned she found two windows broken and a screen had been broken out on the east side of the house in her bedroom, and one window and a screen broken out of the other bedroom.

Estimated damage is \$60.

## Two Batteries Reported Stolen In Spring Valley

Two 6-volt batteries were lifted from vehicles in Spring Valley, it was reported to the sheriff's department last week.

Satoshi Kida, 9284 Carthay Circle, who farms the acreage at the end of Austin dr. and South Barcelona st., on Jan. 11 reported the loss of a 6-volt battery from his tractor which he had parked in the field nearby for about three weeks.

A 6-volt battery was removed from a '55 Ford License MTT437, between 6 p.m. Jan. 10, and 7 a.m. Jan. 11, by some unknown person, reported Glenn Carlton Robinson. Mr. Robinson said the car was parked in front of his home at 1650 Cameron st.

## GENERATOR GONE

Mrs. Lucille Elvina Varley, reported to Deputy Sheriff's James Reeve and M. Lund, that between the hours of 2:30 p.m. and 8 p.m. Monday, someone cut the wires, removed the bolts and made off with the generator in her car, parked off the street on her property.

## Business as Usual at New C of C Home

**NEW HOME** — Mrs. Eleanor Schneelach, secretary, and Ed Koester, manager of the Lemon Grove chamber of commerce, take up chamber duties with a break in the routine as the chamber moves to downtown Lemon Grove.

The new address of the chamber is 3448 Main street, opposite the Grove Theatre but the telephone remains the same, HO 4-3153.

Finishing touches have been put to the new home of the Lemon Grove chamber of commerce at 3448 Main street, near Broadway, opposite the Grove Theatre and all is in readiness for an "Open House" celebration scheduled for Wednesday from noon 'til five, according to Larry Folda, chamber president.

The move was made from 7350 Broadway to the new address.

9-9621. The chamber formerly was at 7350 Broadway.

Most of the remodeling of the new chamber office was done gratis by chamber president Larry Folda.

He said an "Open House" celebration would be held 12 to 5 p.m. January 25 with a flag raising ceremony to start the festivities.

## Merchants' Group Rounding Out Promotions for Area

Lemon Grove business firms, in the second of a series of meetings Tuesday, agreed to ask the membership of their recently revitalized merchants' group to approve Downtown Lemon Grove Merchants as a new name. The group operates under the auspices of the Lemon Grove chamber of commerce.

Skip Degenhart, chairman of the group, asked members to come to the next meeting Tuesday at 11:30 at El Morocco prepared to: approve the name or suggest a better one; approve a list of business community promotions, and to report on a project of signing up local business firms as contributors to the program.

## AVOCADO FIELD MEETINGS SCHEDULED IN SD COUNTY

Top quality fruit for the market continues to be of prime importance to the avocado industry. Quality must continually improve if avocados are to be accepted by the marketing channels in increasing amounts, says University of California Farm Advisor Don Gustafson.

The Agricultural Extension Service plans a series of field meetings to discuss the important and timely subjects of avocado varieties, fruit quality, opworking and yield records. The need to reduce the number of varieties grown and marketed is great.

Meetings will be held at the following places: Jan. 24, at 10 a.m., Al von Norman, 1052 MacDonald rd., Fallbrook; 2 p.m., P. E. Sharpless, Highway 76 (one-half mile north of Trading Center), Pauma Valley. Jan. 25, at 10 a.m., Col. W. W. Miller, E. Vista Way at Ormsby, Vista; 2 p.m., Ralph LaFon, 1429 La Honda (North of Hill Avenue), Escondido. Jan. 26, at 7:30 p.m., El Cajon Valley High School, Agricultural Bldg., Room 83, 1035 Madison ave., El Cajon.

All interested persons are invited to attend these open meetings, Gustafson says.

**CLOTHING REPORTED  
STOLEN AT LAUNDRY**  
Clothing was stolen valued at \$150 from the Econo-Wash Laundrette at 7109 University ave., Vista La Mesa, which belonged to Thelma Louise Fellos, a customer.

Mrs. Fellos said she had taken her laundry to the Wash at 1 p.m. last Sunday, put one basketful in a machine and went out to her car to get another load. When she returned she found the first load was missing. She states she has had articles missing from the same laundromat on prior occasions and each time something was missing the same woman was in the laundromat, she reported.

## Election on Formation of Helix Park District Set by Board for March After Public Hearing

SAN DIEGO (CNS) — The date of the election to decide on formation of the Lake Helix Park district was set at March 7 at last week's session of the County Board of Supervisors.

The Board held a public hearing to listen to any protests against formation of the district and to hear if any property owners wanted their lands left out of the proposed district.

Wallace D. Dorman appeared as attorney for those supporting the district, which is to be made up of a 300-acre area

around Mt. Helix. The district, if formation is voted, is to buy the old Helix Reservoir from the Helix Irrigation District and develop it for recreation purposes.

"The district," Dorman told Supervisors, "will be for those in the area. It is being formed for the preservation of the natural beauty that might otherwise be lost."

There was no opposition to the district and no request for withdrawal from it, so Supervisors then set the boundaries requested by proponents. This puts the northern boundary at Pandora drive, with Fuerte and Viverra drives on the east; Mt. Helix drive on the south, and the western boundary a line that runs almost to Alto drive.

The price for the lake that the district is to pay has been put at \$66,000 by a Helix Irrigation District spokesman. The offer at that price was to expire Jan. 1, but the district's sponsors won an extension.

Board Chairman David W. Bird congratulated Dorman and the district's sponsors who were in the audience for their success in getting unanimous support for the project. But he pointed out that formation of the district comes after the Feb. 1 deadline that permits taxation in the 1961-62 fiscal year.

## Care Urged By SV Chief In Burning

"The dry season is upon us, and unless we get rain soon, the Spring Valley Local Fire District may have to set an early fire season," Fire Chief Frank Berger said this week. Chief Berger said that the high temperatures and east winds are making the fire hazard in Spring Valley a dire situation. He urged all persons contemplating burning to do so in the evening or early morning, and not during the day.

There was only one fire call during the week. A pickup truck at 1356 Darby st., South Spring Valley, on Sunday, was slightly damaged from an electrical wire shortage which turned a hole on the gas line.

There were two ambulance calls during the week.

Lawrence Green, 46, of 3654 S. Barcelona, was taken to Mercy hospital Jan. 12, suffering from what at first was thought to be a stroke. Doctors later diagnosed his case as a slipped disk and a pinched nerve. He was first put in traction and afterward a cast. He has been returned to his home.

William G. Rasusmas, 70, of 3353 Bancroft dr., was taken to County hospital Sunday, after he fell at his home and suffered either a fractured or dislocated hip. The S.V. fire department ambulance crew gave him first aid.

## Two Directors Back On Water Board

SAN DIEGO (CNS) — John B. Gibson and Wright R. Rundell were appointed directors of divisions 2 and 4 of the Helix Irrigation District Tuesday by the County Board of Supervisors.

CARE's \$1 food package contains the equivalent of 90 glasses of milk, 85 bowls of cereal and a large quantity of bread or pasta, all from U.S. farm surplus. CARE adds meat for the sake of nutrition.

"You've done a good job," Bird said, "but you can't tax the people this year."

Miss Bonnie J. Shinski, of 2827 Skyline dr., Lemon Grove was a guest yesterday on Art Linkletter's CBS-TV and radio "House Party" show in Hollywood. Miss Shinski took part in a question-answer period with young Jack Linkletter, standing in for his vacationing Dad.

Jack asked Bonnie, "What is your most memorable event?"

"During the World War II," she replied, "I was a WASP—a flyer for the various armed services. I was approaching Randolph field one day in a twin engine plane, and over a tract of houses, but still miles from the field, both engines quit—I made a dead stick landing at the very edge of the landing strip."

Jack agreed as to how that was a memorable event and thanking Bonnie for helping out on "House Party" presented her with a small household gift.

The "House Party" show was taped ahead on Jan. 10 for release on CBS-TV Wednesday, Jan. 18 at 1:30 p.m.

### LM Movie Group Plans Program

The January meeting of the La Mesa Movie Makers, sponsored by the La Mesa recreation park department will be held Monday evening, Jan. 23 at 7:45 at Porter Hall, 8472 La Mesa Blvd., La Mesa.

A full evening of movie making activities is planned. Claude Beland, president of the club, will show his contest-winning 16MM film entitled "School Daze."

The club will present the first of a series of lessons on movie making for amateurs. Two films will be shown on the art of titling, followed by a demonstration of the latest Solon titling equipment.

The members of the La Mesa Movie Makers are eager to meet fellow movie-making fans and cordially invite anyone interested to join them for a delightful evening with refreshments.

### SEEKS TO RENEW LEASE FOR BUILDING INSPECTOR

SAN DIEGO (CNS)—A letter stating the county's intent to extend for three years its lease on the county building inspector's branch office in Lemon Grove was ordered sent last week to James B. Moranville and Leon A. Moranville, owners of the building.

The Board of Supervisors took the action on recommendation of the public works department.

### WAC Enlistment Program Lists Schools Open for 3 Months

Data processing, stenography, X-ray procedures, dental assistant, operating room procedures, dental assistant, operating room procedures, personnel administration and financial procedures are some of the schools which can be guaranteed to women who enlist in the Women's Army Corps during the next three months.

Women interested in training

and working in any of these jobs qualify by taking aptitude tests before enlistment. The successful applicant is enlisted on a date which allows for eight weeks of military orientation at the WAC Center, Fort McClellan, Ala., immediately prior to the start of her specialized course.

Upon graduation from the course of her choice, she will be assigned to an Army base within the United States and one year later may apply for an overseas assignment.

These schools are located in Texas, Maryland and Indiana and are coeducational.

A WAC applicant must be a high school graduate or pass an equivalency test, be between the ages of 18 through 34, single with no dependents.

"I recommend early inquiry by interested young women," states Msgr. N. J. Goebel, commander of the U.S. Army Recruiting Station at 8101 La Mesa Blvd., La Mesa. "School quotas are nationwide and may be filled quickly."

### Boundary Lines of New Sweetwater Springs Blvd. High School Set by Grossmont District

The board of Grossmont Union High School District now has approved attendance boundaries for the new high school, as yet unnamed, to be placed in operation September 1961, to be formed by the division of the Mt. Miguel High School student body.

The boundary line begins at Campo and Palm, proceeds down Campo road to Helix street over the top of Dictionary Hill and Grand street to Sweetwater Lake.

Students living south and west of this line will enroll at Mt. Miguel. All other students in the present Mt. Miguel attendance area, living to the north and east of this line, will attend the new high school on Sweetwater Springs boulevard. All boundaries for other high schools were left unchanged.

An auditor's report was presented to the district at its meeting by the firm of Eggert, Nokes and Baughman which indicated that adequate controls had been instituted for district funds, for cafeteria funds and for student body accounts.

The report suggested improved control of student body funds by instituting centralization of writing of checks and control of sales of various items by student activity groups. After approval of the report, the firm was placed under contract for auditing services for the current fiscal year at a contract price of \$2,800.

The board authorized continuation of a security patrol operation for the rest of this fiscal year. The patrol provides for checking of the premises

of the various high schools at irregular intervals in order to control damage to property and thefts. In order to improve security measures, the board requested that a letter be written to the County Board of Supervisors requesting additional deputies to patrol the schools located in unincorporated areas.

The board also authorized civil proceedings against three individuals who committed vandalism at El Capitan recently causing approximately \$1,000 in damage after learning that the court had not required restitution for the malicious destruction of school property. The board requested an inquiry as to why the court did not require payment for the damage.

Announcement was made of

an important meeting of the El Cajon Valley High School County Committee on School District Organization to be held on Feb. 1 at 8 p.m. in the Grossmont area.

### Along Sweetwater Road

News of Spring Valley Estates,  
Mt. Miguel Terrace and La Presa  
by Elaine Horowitz

The first meeting of Little League parents for 1961 will be held tonight at 7:30 in Room 8 of Avondale Elementary school. This is to be an open meeting, and all those interested in having their boys participate in this sport, and all those who can help as coaches, managers, etc., are urged to attend.

**BOY SCOUT NEWS**  
A scout mothers' meeting will be held Jan. 19, at 7:30 p.m. in the home of Mrs. J. Romero, 1231 Gilford ct.

Mothers of boys in Boy Scout Troop 357 are cordially invited to attend.

**CLUB GROWS**  
The La Presa Women's Club, a newly formed group, has been growing steadily since its inception, and is for women of Spring Valley Estates, Mt. Miguel Terrace as well as the La Presa area. Anyone interested in joining can call HO 9-0690.

**LIBRARY**  
Mrs. Sue Peverly, Avondale PTA's hardworking library chairman, will speak at the Spring Valley Chamber of Commerce meeting Jan. 30, regarding her progress in trying to obtain a full time library for the district.

She has obtained over 100 signatures on petitions, and since we now have upwards of

28,000 residents in Spring Valley and vicinity, we are entitled to one. All that remains now is to submit proposed sites for the library, and await the verdict.

### MONEY FOR FUN

Most of us suffer from too little cash, (tho' who do you think has to pay for damages), and too many responsibilities. (yet our first duty is supposed to be to our family), still there must be a solution. Here's what we're trying in our house. I have a jar marked "Easter Fun." We all contribute change each week, and are making a list of places we want to go. From this list we will select two or three to do during Easter week, and leave the rest for the summer. This way we'll be prepared financially and mentally. Can you think of anything more wonderful than having something to look forward to?

LIKE MAGIC!  
NO-MATE TABLETS

## To Be Installed by Rainbow Order

**NEW WORTHY ADVISOR**—Nancy Steiding, daughter of Mr. and Mrs. B. G. Steiding, 1690 Glencoe, Lemon Grove, will take office as Worthy Advisor at the fifteenth installation for the Order of the Rainbow Girls, Lemon Grove Assembly No. 172, Saturday at 7 p.m. at the Masonic Temple, 2590 Main st., Lemon Grove.

Elective officers to be installed with Miss Steiding are: Miss Terri Ann Wilson, Miss Susan Gearhart, Miss Beverly Holsclaw, and Miss Jan Stewart.

A public reception will follow the installation ceremonies.

## Non-English Adult Classes Scheduled

Daytime adult classes for non-English speaking adults and for those who wish to learn to speak, read and write English better are now available at Memorial Adult High School, 28th and Marcy sts., San Diego. Citizenship training for those seeking United States Citizenship is also offered.

Interested adults may enroll for as many days a week as convenient in morning or afternoon classes which meet daily Monday through Friday between 9 a.m. and 2:30 p.m. These free classes are a community service of the Americanization Division of the Department of Adult Education, San Diego City Schools.

For further information call BE 4-2186.

## Goodwill Workers of Year To Be Chosen

Balloting opened this week in the Lemon Grove store of the Goodwill Industries of San Diego county to choose an employee to become Goodwill Worker of 1961, it was announced by Charles Spisak, executive director, who lives in Lemon Grove.

Deadline is Feb. 10. Eligible for the award are the 386 handicapped workers of the non-profit organization, in addition to "alumni" who have had at least six months work experience, Spisak said. "The handicapped worker of 1961 should be a handicapped worker who has demonstrated outstanding work achievement in overcoming a handicap," said Spisak.

The local winner will compete in the contest to choose the national Goodwill Worker of 1961, the winner of which will be given an all expenses paid trip to Washington to receive a trophy at the national awards dinner, followed by tours, and visit with dignitaries, Spisak said.

## AREA BIRTHS

At Paradise Valley hospital the following births were announced to area people:

BLACK, Mr. and Mrs. John, 3516 James cir., Spring Valley, a girl.

DIAL, Mr. and Mrs. Lee, 6221 Brooklyn st., Lomita Village, a boy.

Births at Grossmont hospital to Spring Valley people were as follows:

WESTFALL, Mr. and Mrs. Jimmie, 10122 Ramona dr., a boy.

BOUCHER, Mr. and Mrs. Robert, 2891 Rogers rd., a boy.

YOUNG, Mr. and Mrs. Robert, 5210 Osage, a girl.

STOBBS, Mr. and Mrs. John, 3004 Helix st., a girl.

FERGERSON, Mr. and Mrs. William, 10511 Campo rd., a girl.

LOGAN, Mr. and Mrs. Douglas, 9818 La Cresta rd., a girl.

DEEDS, Mr. and Mrs. Darrell, 3640 South Cordova, a girl.

## American Field Service Groups Meet Saturday

22 Foreign Students Live in County. Attend High Schools in Exchange Plan

American Field Service chapters in San Diego County will hold an all-day conference Saturday, at Crawford High School, 4191 55th st., in San Diego.

Registration will begin at 8:30 a.m. and meetings are scheduled from 9:30 a.m. to approximately 4 p.m., according to Mrs. R. E. Barrett, president of the Spring Valley, Mt. Miguel chapter.

Under the foreign student exchange program of the American Field Service, 22 foreign students are attending high schools in the county while living with local families.

Students in this area are Catherine Barre from Paris, France, who lives with Mr. and Mrs. Byron Netzeley, 2324 Golden ave., and Eduardo Leirs from Madrid, Spain, living with Mr. and Mrs. George Newcomb, 1522 Larwood. The students are attending Mount Miguel High School.

The local conference, one of several being held in various areas active in the AFS program, will feature an address by Dr. Harold C. Urey, professor of chemistry at the University of California at San Diego. Dr. Urey, discoverer of heavy water and winner of a Nobel prize, will speak on the need for closer relations among the western democracies.

The American Field Service has been widely recognized for its contribution to international understanding and friendship. National officials attending the conference will include Stephen Galatti and three members of the New York staff. Mr. Galatti, who organized the program in 1947, is director general of the American Field Service.

Local residents interested in attending the conference should make reservations through Mrs. R. E. Barrett at HO 6-2481.

Mrs. M. J. Coffman and Mark Brauer are luncheon chairmen.

For reservations call Mmes. John Crenshaw, Robert Dutton, W. A. Curtis, Henry Schuette or Hugh Sturdivant before tomorrow. Anyone needing transportation may call Mrs. W. A. Curtis.

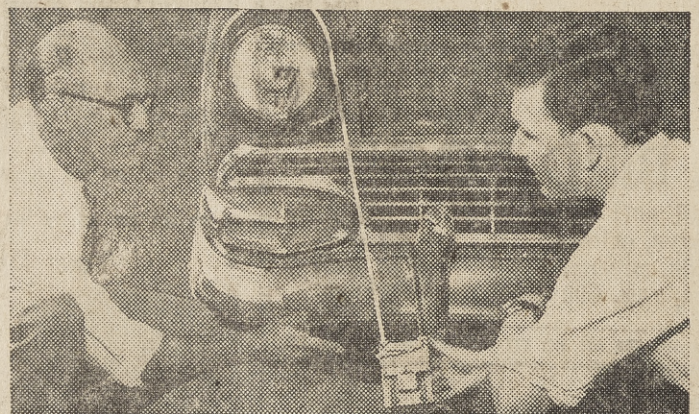

## WHAT'S DOING

Sid Mansfield, your telephone manager in Lemon Grove

Starting guns are familiar to most people, but few have heard of a "Stopping gun". It's used in our Defensive Driving course to show how long it takes you to stop your car. That's a "stopping gun" on the bumper of the car in the picture.

The instructor riding in the car pulls a string and fires the "gun" as a signal to the driver to stop as fast as he can. A chalk mark is shot onto the pavement as the gun goes off, and a second mark is made when the brakes are applied.

By measuring the distance between the chalk marks, the driver learns how far his car travelled before he reacted to the noise of the gun.

We pay lots of attention to safe driving at the phone company, and we've found just being alert avoids lots of accidents.

Every telephone employee who drives in his work takes a "Defensive Driving" course.

This special training really works. Our drivers have one of the best safety records anywhere.

For some unknown reason, squirrels like to gnaw on telephone cables.

Their chewing puts holes in the cable's outer covering and lets moisture get inside. This, in turn, interferes with telephone service.

To protect phone cables, we cover them with metal roofs or wrap them with steel tape.

Squirrels don't like this, but it keeps our cables from being damaged and helps us keep your telephone service dependable.

People of all ages are becoming more interested in science today and we here at your local Telephone Office are happy to help you know the many wonders of what goes on behind your dial.

There are many groups taking advantage of our tours through our electronic switching centers. Group tours with a guide, explaining the amount of equipment which is activated when you pick up your telephone, will meet you and personally conduct you. They will also be glad to answer your questions.

Please call our Business Office HO 6-3201 and we will be glad to make arrangements for one of these interesting tours.

Pacific Telephone

## La Mesa Aquatic Group Planning Weekly Workouts

The La Mesa Swimming Association is having workouts at the El Nadadero Club indoor pool each Saturday from 6:15 to 7:30 p.m.

Those wishing to try out for the team please contact Dick Reyburn, president, HO 9-4751 or Bob McDaniels, coach, HO 6-7612 for information.

The La Mesa recreation park department invites all interested boys and girls, all ages, to try out for membership in the La Mesa Swimming Association.

## X.Y.Z. CLUB TO ATTRACT PEPPY SENIOR CITIZENS

The X.Y.Z. Club, peppy group for Senior Citizens meets at Seminole at 1:30 p.m. on Thursdays and is open to men and women. It is co-sponsored by Seminole and the Rolando Women's Club. On Thursday, Jan. 19, Mrs. Blevins of the Red Cross will discuss service projects and will show samples of needed articles.

The Seminole Club is at 4348 Seminole drive, San Diego.

## Nine Lectures To Be Repeated By Woman Broker on Investments

Robley Baskerville, San Diego's first woman investment broker has been asked to repeat her two courses of nine lectures each on "Investments."

## Spring Valley Jr. Hi PTA Names 'Life' Committee

Mrs. J. D. Page, president of the Spring Valley Junior High School PTA announces the following committee to select a "Life Membership" recipient: Mrs. J. A. Burdick, chairman; Mrs. P. M. Hale, Mrs. Owen Phelps, Mrs. M. DuBow and Mrs. E. K. Karlsgodt, Earl Brown, principal at S.V. Jr. Hi., will serve on the committee in an advisory capacity.

Anyone caring to submit a name for the "Life Membership" award of the school's PTA group, may call any member of the committee, says Mrs. Page. Mrs. Burdick will be in charge of the presentation at the organization's Feb. 23 meeting.

Mrs. Charles Sweetwood has been appointed magazine chairman of the group.

under the auspices of the Adult Education Department of the San Diego Schools.

The first daytime class will be held Feb. 1, from 10 a.m. to 12 noon at the Jewish Community Center, 54th st. and University, San Diego. The first evening class will be held Feb. 1 at the Birney school, Room 14, 4345 Campus ave., San Diego, from 7 to 9 p.m. These courses are for nine weeks.

Miss Baskerville will give special attention to methods of increasing income today, as well as accumulating money for tomorrow. She will show how to begin a monthly investment program for \$25 or reduce taxes through careful estate planning.

All types of investments from mortgages, real estate, building and loan, life insurance to stocks, bonds, and mutual funds will be evaluated, as well as a survey of what to expect in 1961. Early registration is urged for those not wishing to miss an excellent series. Phone ATwater 2-7683 or JUniper 3-3737.

## American Begonia Society To Meet

The San Diego Branch of the American Begonia Society will hold its next meeting on Monday, Jan. 23, at 8 p.m. in Barbour Hall, 2717 University ave.

Program Chairman Mrs. Mary Hoffman will present Mrs. Helen Bailey as guest speaker. She will take up on "A Trip to South America" with her colored slide pictures. The installation of officers for 1961 will be conducted by Dr. Hazel McBride. A social hour and plant table will follow to which guests are invited.

## Solov Ballet To Start Concert Season Here

A new ballet ensemble will come here under the sponsorship of the Grossmont Community Concert Association, Col. Frances Resta, chairman of Grossmont's board said this week.

The Zachary Solov Ballet Ensemble of ten dancers with new ballets will appear February 8 at 8:30 p.m. at Grossmont high school auditorium. Solov is the Metropolitan Opera choreographer.

S. Hurok, under whose direction the presentation is being made, has presented such mammoth spectacles as the Royal Ballet, the Bolshoi Ballet, Moiseyev Dance Company and the British Touring and Tatoo and such artists as Marian Anderson, Artur Schnabel and a host of others, has felt for some time that there was a need for a highly professional small ballet company, performing new American works. He chose as his director and choreographer Solov, whose work for the Metropolitan Opera brought him the first Capezio Dance Award, the dance world's equivalent of Hollywood's "Oscar."

Solov, a native of Philadelphia, has been a performer with the major ballet companies and on Broadway, but turned to choreography in 1951. For the Metropolitan he has staged ballets for 23 productions, including "Fledermaus," "Aida," "Alceste," "Carmen," "Kirsten Flagstad," "Carmen" with Rise Stevens and "Traviata."

## Co-op Traders' Head Installed

Formal installation of 1961 president of the Co-op Traders of San Diego County, a group dealing with property and equity exchanges throughout the nation, was held at the Lantern Inn, Lemon Grove, Jan. 10.

Thomas R. Shippen succeeds Lew E. Dittler as the Co-op's minister.

## Awarded Mt. Helix PTA Life Membership Pins

**LIFE-PIN RECIPIENTS**—The first two women of classified non-teaching personnel status, Mrs. Gladys Wayda, left, and Mrs. Connie Rhea, right, are now the wearers of two honorary life membership pins in the California Congress of Parents and Teachers, bestowed upon them at the January meeting of the Mt. Helix Council.

Both Mrs. Wayda and Mrs. Rhea, head duplicating operators in the Lemon Grove and La Mesa Education Centers, respectively, were presented their pins by Mrs. H. K. Thurlund, council chairman, who also officiated at the meeting.

## SQUARE DANCE CLASSES BEING FORMED IN L.M.

Beginners' classes will be held for square dancers by the Country Cousins Square Dance Club on Mondays at 8 p.m. with Glenn Zeno instructing. Regular dances are on Saturday night.

Dances and training classes are held at La Mesa junior high school.

## Spring Valley Lionesses Look To Fashion Show

Plans were laid for its annual Fashion show in February by the Spring Valley Lionesses Council at its January meeting. Mrs. Ralph McJunkins discussed decorations for the show.

Several guests were present, and one became a new member, Mrs. Hayles Trent.

Following dinner a program was arranged by the San Diego Cancer Society, a film entitled, "Time And Two Women." A coordinator from the cancer society was present to answer any questions following the film. The business meeting was conducted by the president, Mrs. Bert Junker.

## Grove Jr. Hi PTA To Hear Talk on 'The Terrific Teen'

"The Terrific Teen" will be the topic of Dr. Paul Bruce from San Diego State College, who will be the speaker at the Lemon Grove Jr. High School PTA meeting tonight at 7:30 at the cafeteria.

Names of persons qualified to receive the Honorary Life Membership award will be requested by Mrs. Dorothy Louer, honorary life chairman.

Hostesses for the evening's refreshments will be Mrs. A. McGee, Mrs. A. D. Garfield, Mrs. C. L. Good, Mrs. T. Hamilton, Mrs. E. Owens, Mrs. C. Hill and Mrs. J. W. Gross.

The first two honorary life memberships of the year, and also the first to be bestowed on classified non-teaching personnel in the California Congress of Parents and Teachers were given to Mrs. Gladys Wayda and Mrs. Connie Rhea, head duplicating operators in the Lemon Grove and La Mesa Education Centers, respectively at the January meeting of Mt. Helix Council.

Mrs. H. K. Thurlund, council chairman for the award, officiated at the presentation, presenting pins to both women. Mrs. Wayda, a former resident of Missouri was employed as a secretary for the Mission Hills Congregation Church before assuming her duties at the center. She also is in charge of receiving, cataloging and distributing textbooks for the Lemon Grove school district.

Besides her efforts in assisting educational and PTA personnel, Mrs. Wayda has been an active member of the Braille Transcribers Guild of San Diego.

Her son, John, also plans to enter the educational field when he begins in the teaching profession next year.

Mrs. Rhea was recognized by the council for her help to PTA units in the production of bulletins and other materials, freely giving time and effort to local civic groups and past service with the Boy Scouts.

She began working at the La Mesa Education Center in April 1955 and as part of her work mimeographed PTA programs for the local units in council until most of them were commercially printed. Having no children, she devoted her patience and teaching techniques to people with whom she worked.

Mrs. Robert Higgins, council parliamentarian, announced the following elected persons would serve on the nominating committee to name a slate of officers for the year 1960-61:

Mmes. John McKee, Walter Rice, A. J. Long, C. M. Limpic, Howard Skinner, Fred Greta and Mr. Don Wilder.

Formal election of officers will be held at the March meeting of the council.

## Two Meetings Called by PTA's Foothills Group

A curriculum study of the secondary and high schools of the district is being made by Foothills Secondary Council of PTA with the aid of Dr. John T. Warburton, assistant superintendent of the Grossmont district.

Mrs. John L. Thompson, school education chairman of Foothills council, has announced a meeting of the group for Wednesday, Jan. 25 at 7:30 p.m. in the board room of the Grossmont district.

A pilot meeting to promote a better line of communication between the nurses of the schools and the Health and Welfare committees of PTA has been called by Mrs. V. B. Calhoun, health and welfare chairman for Tuesday, Jan. 24 at 7:30 p.m. in the El Cajon Health Center.

All the nurses, health and welfare chairmen, presidents, and principals, in the council district, are invited to attend the meeting which is open to the public.

## LG Women's Club Jrs. To Hold Benefit Show

The Lemon Grove Women's Club Juniors will present a community variety show night entitled "It's Laughter We're After" at Lemon Grove Junior High cafeteria at 8 p.m. Jan. 27.

The Lemon Grove Juniors are sponsoring, directing and providing in between acts entertainment from their own music group and drama group. All clubs in the Lemon Grove area have been contacted at this time. Clubs participating are the Business Women's League, the Jaycees, the Vogue

## EDGEMOOR AUXILIARY INDOCTRINATION SET

An indoctrination of prospective new members of Edgemoor Geriatric Hospital Auxiliary will be held at 9:30 a.m. on Thursday, Jan. 26.

The ceremony will be held in the hospital chapel. Mrs. Walter C. Oeghel, auxiliary president announces that talks will be given by Allan Flaven, administrator; by the heads of various departments of the hospital, and by Mrs. J. Forster Courts, auxiliary indoctrination chairman.

New members will be luncheon guests in the hospital dining room, followed by a tour of the hospital and grounds.

## Baptist Church News

### CASA DE ORO BAPTIST

Mr. and Mrs. Peter Kozlarski of 3677 Calavo dr., were honored on their 25th wedding anniversary with a reception in the Casa de Oro Baptist Church hall following the Jan. 8 evening services. The refreshment table was decorated in pink and silver.

Pictures were taken of the honored couple. An evening of fellowship was enjoyed by many church members and friends, reports Rev. Ernest Anderson.

Rev. Lawrence Swanson, secretary of the Baptist General Conference Bible School and Youth Board, brought the morning message Jan. 15 and also spoke at the Sunday School hour.

Pastor Ernest Anderson and two laymen, Phillip Johnson and John Alexander, will attend the state board meeting of the California Baptist Conference in Indio on Saturday.

Also on Saturday the High school and college age youth of the church will be attending an area youth rally at Ramona. The theme will be "Trash or Treasures." It will be a full day of activities, including sports, classes and an evening banquet.

Rev. Anderson began a Bible study Wednesday of this week on the Book of Revelation. This Book has much to say about future events, as well as those of the present. The study will continue until the entire Book has been covered. Prayer time follows for three groups.

### S. V. FIRST BAPTIST

The Men's Fellowship group of the S.V. First Baptist Church will meet for its regular dinner and business meeting Friday at 6:30 p.m. Rev. Roland Taylor will be guest speaker, speaking on "The Race that is Set Before Us."

The School of Missions continues Sunday. Rev. Taylor's text at the 8 and 11 a.m. services will be "The Vision Splendid." The men's quart will sing at both services. The junior choir will sing at the 8 a.m. service, and the Chancel choir at the 11 a.m. service.

From 6:30 to 8 p.m. Sunday, the following program is scheduled: Singing, with Rev. Taylor as leader; worship service with Mrs. Thelma Lewis giving the inspirational; "Migrant Mission Work," presented by Rev. and Mrs. Burton Rowe, who are a present working with the migrant workers in Imperial Valley. Rev. and Mrs. Rowe have also served in Guatemala and Mexico; chalk drawings; and then the Benediction by Rev. Taylor.

The Wednesday part of the School of Missions will be held from 7 to 8:30 p.m. Mrs. Norma Stevenson will talk on "Know Ye Not." There will be special music by the Chancel choir and then 60 minutes of study.

### BANCROFT BAPTIST

A group of the intermediates of the Bancroft Baptist Church training union enjoyed a skating party on Saturday night. Dr. Frank Hattox, at the Sunday evening worship service, showed films of the South-

ern Baptist Children's home at Bakersfield (Sunny Crest). This Sunday there will be a film and special music.

The newly constructed Sunday School classrooms at the church will be dedicated this Sunday.

### Representatives Of Six Churches At Homeland Rites

Representatives of six local churches met in the Lemon Grove Congregational Church, Friday, for installation of officers and chairmen of the Homeland Council of Church Women, active in the work of United Church Women of the National Council of Churches of Christ in U.S.A.

Mrs. E. S. Cherry, State corr. secretary, installed as chairman, Mrs. R. I. Seder, World Day of Prayer; Mrs. R. H. Whitmus, May Fellowship day, Mrs. H. V. Puthuff, World Community day, Mrs. Warren H. Lewis, Spiritual Life, and Mrs. Russell Ray, Leadership Education.

Representatives from Lemon Grove and La Mesa will meet tomorrow at the home of Mrs. Merle C. Brady in La Mesa and drive to Champaign College in Orange for the state annual meeting. National President Mrs. Marjorie Terrell, will be the speaker.

United Church women of this area are preparing for the worldwide observation on Feb. 17 of the World Day of Prayer, which this year celebrates its Diamond Jubilee. For 75 years women of all churches have gathered together on this day for prayer and worship.

Their offerings help to support Christian colleges and other institutions in other lands, work among migrant groups and American Indians, mission work at home and abroad. Africa and Alaska are the areas especially chosen for this year's objective. The local celebration of this Great Day will be held in the Lemon Grove Methodist Church.

### Pfc. Leukhart Assigned To Okinawa Unit

WESTERN PACIFIC (Spcl) — Marine Pfc. Deane G. Leukhart of 3715 Dill ave., Lemon Grove, is serving with the First Battalion, Seventh Marine Regiment, on assignment to the Third Provisional Battalion Landing Team. The landing team operates from ships of the Seventh Fleet in the Western Pacific.

An amphibious infantry unit of the Third Marine Division at Okinawa, the battalion will be at sea for approximately two months.

### S.V. WOMAN'S CLUB DINNER PLANNED

The Spring Valley Woman's Club will have a potluck dinner and game program at their Wednesday meeting. The potluck dinner starts at noon, followed by a short business meeting. Mrs. Ruth Taylor, president, in charge.

## GROVE METHODISTS PLAN CRUSADE FOR ATTENDANCE IN PRE-LENTEN SEASON

A crusade for attendance will highlight the pre-lenten season at Lemon Grove Methodist church between Jan. 15 and April 2.

Regularity is the "keynote" of the "Christmas to Easter" theme, "Come and have your faith lifted," to be carried out in challenging lessons and sermons on the role of the church in modern times and religion in American life.

Families are urged to attend church school classes and then worship together, or vice versa. Two regular services of worship and church school sessions make possible a choice of schedules to fit individual needs and participation.

Church members are requested to take part in an "evangelistic" mission of extending the invitation of the church to new friends and families in the community.

Also included in the outreach program are a membership training class now in session and a special scheduled Youth Membership class to begin in

February and culminate in an Easter commitment ceremony.

All men interested in discussing the problems of daily living and finding spiritual answers to practical questions are invited to attend the Men's Prayer breakfast, which will meet at 8 a.m. on Saturday. This will be followed by a meeting of the Fishermen's Club and work projects by men of the church.

## La Mesa Presbyterian Church Lists Schedule of Week's Events

YMCA Sunday will be observed at the La Mesa United Presbyterian Church, Sunday, Jan. 22, at 9:30 a.m. and 11 a.m. services with the Rev. Kenneth E. Grant in the pulpit. On Friday, Jan. 20, the Sr. High Fellowship will meet for an evening of fun on roller skates.

Scheduled meetings for the week are Sunday evening, Jan. 22, Sr. High Cabinet meets at 6; Niners at 7 and Sr. High at 7. Monday, Youth choir at 4 p.m.; Ppmen at 7 p.m., and Deacons at 7:30 p.m. Tuesday, Bible class at 10 a.m., and teachers meeting at 7:30 p.m. Wednesday Junior High meets at 7:15; Mid-week fellowship, 7:30 p.m., and Chancel choir at 7:30 p.m. At 12:30 noon on Thursday, the Women's Association will hold its regular January meeting.

The evening of January 30 has been set aside for a very important meeting of the congregation. At this meeting, the long range planning committee will present the master plan for the church to the members.

The sacrament of Holy Communion will be observed at the 10:45 a.m. worship service at the Warner Memorial Evangelical United Brethren church at 4207 Palm ave., Sunday, with the Rev. A. Philip Strickler officiating.

The choir will sing the anthem, "Create In Me A Clean Heart, O Lord," by Mueller. A solo will be sung by Mrs. Donald C. Hume, soprano. Child care will be provided.

### SV LUTHERAN HIGH SCHOOL PROGRESS TOLD

Dr. and Mrs. Herman Rossoll will host the Lutheran High School Auxiliary, Tuesday at a 10 a.m. brunch meeting in their home at 1002 Skylark dr., La Jolla.

James Rowe, campaign counselor, will be the principal speaker. He will give the most up-to-date information regarding the progress of the Lutheran High School Association's drive to raise \$700,000 to build a Lutheran High School in Spring Valley. The plot plans and architect's drawings will be explained and displayed.

Future plans of the auxiliary include a music festival in February.

## VLM Church To Hear First Sermon On 'Great Doctrines'

The Rev. Richard G. Davis, pastor of Vista La Mesa Christian Church at 4210 Massachusetts, will preach at morning worship Sunday on "Who is God?" the first sermon in a series on "Great Doctrines of the Church."

Youth groups' regular meetings are at 6:30 p.m. on Sunday evenings. Child care is provided during morning services.

On Saturday, Jan. 21, the men of the church will repeat their project paint of Jan. 7, breakfasting together at 7 and then continuing their painting around the church buildings.

## Catholic Daughters To Sponsor Bus Trip to Hollywood

Mrs. Ralph Mulroy, Grand Regent of Court Teresa of Avila, Catholic Daughters of America, announces a bus tour to Hollywood on February 7. The tour will take in the Art Linkletter show, Queen for a Day, and About Face. A stop will be made at Farmer's Market for shopping. The dinner stop will be at Arnold's Farm House. For reservations call Mrs. Ray Stangl, JU 2-1678 or Mrs. Ed Rudzinski, HO 6-7619 by February 1, 1961.

The bus fare, including shows, is \$5.50. The tour will depart from St. John of the Cross, Lemon Grove, at 7 a.m.

## Prayer And Desire To Do God's Will Bring Under- standing Of "Truth"

"What is Truth?" is a vital question to be considered in the Lesson-Sermon on "Truth" in all Christian Science churches Sunday.

The Psalmist sings, "O send out thy light and thy truth: let them lead me; let them bring me unto thy holy hill, and to thy tabernacles. . . I will cry unto God most high; unto God that performeth all things for me. He shall send from heaven, and save me from the reproach of him that would swallow me up. God shall send forth his mercy and his truth" (43:3, 57:2, 3).

## GOD'S MINUTE "LIGHT"

Jesus called Himself "The Light of the World." He brings the light of salvation into men's hearts. The darkness of sin and doubt is driven out by His presence. It is futile to seek for the light of salvation any other place. You cannot live in darkness and light at the same time. Choose one or the other.
